

1) Call 936-760-5800 and choose Option 1. This contacts the Montgomery County Sheriff's Office, where they will take your call and dispatch the nearest officer as needed.

2) During regular office hours, you can also call Constable David Hill's office at 281-259-6493.

***Write these numbers on your fridge or somewhere similar where they're easy to find!!!

What is Neighborhood Watch?

Neighborhood Watch is a group of citizens organized with the goal of taking an active role in reducing crime in their community by working with law enforcement. Citizens are the eyes and ears of their community, which in turn can help the police in putting a stop to problems before they become a threat to an entire neighborhood. Neighborhood Watch groups are asked to be alert, observant, caring and willing to report suspicious activity or crimes immediately to the police.

Neighborhood Watch is NOT:

A citizen vigilante group.

A guarantee that crime will not occur in your neighborhood.

A program that encourages personal risks to deter crime.

How Can I Be a Part of the Watch in ILE?

Contact the Watch Coordinator, Dani Sellier, at ILEWatch1@ilepoa.com or 713-515-3151. Your information will be recorded and she will put you in touch with a Section Captain.

Specifics of The Program:

A crime prevention program where neighbors look out for each other.

A block captain is appointed to be the primary contact with the Police Department, maintain records of the participants, and deliver newsletters and other crime related information.

Neighbors are encouraged to get to know each other and their routines so they will recognize any out-of-place activity.

The program provides participants with ways to reduce the risk of being victimized at home, in public places or while in their vehicle.

The program informs participants on the importance of recognizing suspicious activities and sounds and how to properly report them.

· The program informs neighbors how to make their homes more secure and how to properly identify their property through Operation Identification.

A Neighborhood Watch block is a body of concerned and involved neighbors addressing issues that concern the entire community.

What it Means to be a Member of the Watch:

You agree to share your contact information with other Watch members so that you can be contacted in case of unusual activity on/near your home.

You agree to and understand how to correctly report any suspicious activity that you see.

What it Means to be a Captain:

You agree to create and maintain a contact tree (names, addresses, emails, and phone numbers) for your assigned section

You agree to promote a culture of "Knowing Your Neighbor," for example waving to each other, chatting at the mailbox, and helping to put together section and/or block parties.

You agree to act as a liaison between your assigned homes and the Watch Coordinator.
