

ILE - Home owners WATERCRAFT REGISTRATION Form (revised 5/13/10)

Registration Requirements

All watercraft on Indigo Lake must meet the below listed registration requirements. The Property Owner of record must be present to register the watercraft and sign the Acknowledgement Form. When registration of ILE property owner-owned craft is complete, two Observation Stickers will be applied to the watercraft and a digital photo recorded in the database. These stickers must remain on the watercraft while on Indigo Lake. Please attach a copy of the insurance to this form. It is the property owner's responsibility to maintain an active copy of insurance on file at AMI.

1. Current proof of liability insurance and ownership must be shown for each watercraft registered. Watercrafts that are registered must be owned by the property owner, or registered as a guest craft.
2. Watercraft must have aboard all TPW required paraphernalia. These include: Life vests for every boater, fire extinguisher, orange 'down-tow' flag, mirror, horn or whistle, and running lights when appropriate.
3. Specifically exempted from registration are canoes, kayaks, and paddleboats, not requiring boat ramp access.

I understand the "Indigo Lake Estates - Rules and Regulations" and acknowledge that I will be held accountable for their adherence with my watercraft. I acknowledge I will not allow access to the lake of any craft other than those listed below otherwise my boat ramp card may be deactivated.
